SN16 0HH

Fao case officer James Repper

Re Application PL/2023/10682
PL/2023/10684

Resident of Mill Lane wishing to comment on the propesed applications listed above

Highway safety & Traffic on Mill Lane and access
narrowness of Lane - Restricted access for Vehicles
Increased use of Driveway to and from application Site will reduce privacy to adjoining properties
increased noise and disturbance
currently only used very infrequently for storage

Safeguarding countryside
Site is close to the nature reserve and has recently been left to return to natural habitat for birds & Mammals

Noise Disturbance
Traffic on Lane & Driveway
Human Habitation
Increased stress on resources locally

Site suitability for Building work close to Quarry

I am making this objection to the planning application as an anonymous resident of Mill Lane concerned about the impact of the application on my being a resident living close to the site.
