Wiltshire Council

The Town and Country Planning Act 1990

Approval of Householder Planning Permission with Conditions

Application Reference Number: PL/2023/06953

Decision Date: 11 October 2023

Applicant:	Mr Hatton Cushlea Cottage, 3, The Forty, Cricklade, SN6 6HR
Particulars of Development:	proposed garage
At:	CUSHLEA COTTAGE, 3 THE FORTY, CRICKLADE, SWINDON, SN6 6HR

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).
In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.
Subject to the following conditions:

Conditions: (9)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Existing-Proposed Floor Plan, Elevations, Block Plan and Location Plan Received 16/08/23

REASON: For the avoidance of doubt and in the interests of proper planning.

3 The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in material, colour and texture those detailed on the application form and approved plans.

REASON: In the interests of visual amenity and the character and appearance of the area.

4 The accommodation hereby permitted shall not be occupied at any time other than for purposes ancillary to the residential use of the main dwelling, known as Cushlea Cottage, 3 The Forty, Cricklade, SN6 6HR and it shall remain within the same planning unit as the main dwelling.

REASON: The additional accommodation is sited in a position where the Local Planning Authority, having regard to the reasonable standards of residential amenity, access, and planning policies pertaining to the area, would not permit a wholly separate dwelling.

5 The existing orthostatic stone wall on the western boundary shall be protected throughout the construction phase and
retained and maintained as such at all times thereafter.

REASON: To ensure the preservation of an undesignated heritage asset.

6 No development shall commence on site until visibility splays have been provided between the edge of the carriageway and a line extending from a point 2.4m metres back from the edge of the carriageway, measured along the centre line of the access, to the points on the edge of the carriageway 43 metres to the North and 43 metres to the South from the centre of the parking area in accordance with plans to be submitted to and approved by the Local Planning Authority. Such splays shall thereafter be permanently maintained free from obstruction to vision above a height of 900mm above the level of the adjacent carriageway.

REASON: In the interests of highway safety.

7 The development hereby permitted shall not be first brought into use until the whole of the parking area, has been consolidated and surfaced (not loose stone or gravel). The access shall be maintained as such thereafter.

REASON: In the interests of highway safety

8 No part of the development hereby permitted shall be first brought into use until area for parking spaces to include an extended dropped kerb have been completed in

accordance with the details shown on the approved plans. The areas shall always be maintained for those purposes thereafter and maintained free from the storage of materials.

REASON: In the interests of highway safety

9 All soft landscaping shown on the approved plans shall be carried out in the first planting and seeding season following the first occupation of the building or the completion of the development whichever is the sooner; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, within a period of five years, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local planning authority.

REASON: To ensure a satisfactory landscaped setting for the development.

Informatives: (5)

10 Any alterations to the approved plans, brought about by compliance with Building Regulations or any other reason must first be agreed in writing with the Local Planning Authority before commencement of work.

11 The applicant should note that the grant of planning permission does not include any separate permission which may be needed to erect a structure in the vicinity of a public sewer. Such permission should be sought direct from Thames Water Utilities Ltd / Wessex Water Services Ltd. Buildings are not normally allowed within 3.0 metres of a Public Sewer although this may vary depending on the size, depth, strategic importance, available access and the ground conditions appertaining to the sewer in question.

12 The applicant is requested to note that this permission does not affect any private property rights and therefore does not authorise the carrying out of any work on land outside their control. If such works are required it will be necessary for the applicant to obtain the landowners consent before such works commence.

If you intend carrying out works in the vicinity of the site boundary, you are also advised that it may be expedient to seek your own advice with regard to the requirements of the Party Wall Act 1996.

13 The application involves an extension to the existing dropped kerb. The consent hereby granted shall not be construed as authority to carry out works on the highway. The applicant is advised that a licence will be required from Wiltshire's Highway Authority before any works are carried out on any footway, footpath, carriageway, verge or other land forming part of the highway. Please contact our Vehicle Crossing Team on vehicleaccess@wiltshire.gov.uk and/or 01225 713352 or visit their website at http://wiltshire.gov.uk/highways-streets to make an application. The applicant must also ensure that any works within 8m of a watercourse (including discharge to and/or piping of road side ditches) will require full Land Drainage Consent . Please contact the Drainage Team at Drainage@wiltshire.gov.uk

14 Before commencement of the works the applicant will be expected to apply for and receive written approval of the stopping up of the highway. The applicant is advised to apply to the Secretary of State/ Department of Transport. The following guidance outlines the procedure. The applicant may want to seek independent legal advice on the matter. https://www.gov.uk/government/publications/stopping-up-and-diversion-of-highways

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
