Planning Statement

This application is to seek lawful development existing for an outbuilding on the Land at Stones Lane, Cricklade. Please see attached location/block plans.

The current outbuilding has been on site since 2017, there has always been an outbuilding in the same position before this time which you can see on the screen shots from google earth.

There are also two lamb sheds on site, one next to the outbuilding and one to the South of the land.
