Highway Development Control Consultation Response

Planning Application Ref: PL/2023/06304

Site Address: 46 The Street, Cherhill, Calne, SN11 8XR.

Proposal: Demolition of single store timber frame side extension to be replaced with two storey side extension.

Date of Consultation Response: 17/10/2023

I refer to the above planning application dated 26/07/2023 seeking permission for the demolition of a single storey side extension to be replaced by a two-storey extension. Amended plans for parking have now been received.

The site is located with existing access onto The Street, a C Classified section of public highway subject to a speed limit of 20mph. There are no plans to alter the existing access with the public highway, an extension within the existing driveway is proposed this would not raise the available bedroom accommodation.

Parking provision on site cannot has been demonstrated at the existing level of three spaces and is accommodated within the site curtilage, therefore I would not wish to raise a highway objection to the proposals.
