Details of the pre-application advice received

We have now had a response from the new Conservation Officer, and I have copied the relevant section below. It states that the original pre-app response mostly covered the matters and I advise that any subsequent application carefully addresses those points, particularly in reference to large scale drawings. In essence, there is one minor change to the rooflight., and I quote;

I would prefer to see a modern flat rooflight rather than the lantern which appears rather grand a design response to a very minor infill extension.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
