**Highway Development Control Consultation Response**

**Planning Application Ref:** PL/2023/11085

**Site Address:** Stonegate Farmers Ltd, Lacock Green, Corsham Road, Lacock, Chippenham, SN15 2LZ

**Proposal:** Proposal to construct Creativity Pavilion, to accommodate a reception and visitors area, demonstration kitchen and dining area, exhibition space and supporting facilities. Including 3 guest parking bays.

**Date of Further Consultation Response:** 15th April 2024

I refer to the additional information received from the Architects in response to the highway consultation response of the 25th January 2024.

It is understood that the Creativity Pavilion is intended as a venue to host meetings and guests, as an alternative to the existing arrangements within the site. The additional facilities are proposed only to support and enhance the existing business.

The additional parking proposed is described as being VIP guest parking, with other guest parking being available within the existing car parking areas.

On the basis that the proposals would not generate any additional vehicle movements, or alter the means of access, I would recommend that no highway objection is raised.
