Environmental Control and Protection - Planning Consultation Response

To: Planning Officer : Helena Carney

From: Tessa Hares
Environmental Health Officer

Date: 16th November 2023

Planning Application Reference:	**PL/2023/07837**
Environmental Health Reference:	WK/202324380
Description of Proposal:	**Erection of canopy for events and protection from weather for customers to be removed for 2 months per annum.**
Address:	The Parade Cinema And 1 The Manse, The Parade, Marlborough, Wiltshire, SN8 1NE.
Site Visited:	No
Amenity Including noise, lighting, odour, smoke.	Officer: Tessa Hares

The proposal is for the erection of a canopy for events and protection from weather for customers to be removed for 2 months per annum at The Parade Cinema, Marlborough, SN8 1NE. The surrounding area is a mixture of commercial and residential.

The main area we are considering for this application is potential noise impact on amenity for nearby residential dwellings. We note that there is no history of complaint and that the premises has had a licence and been operating for approximately 2 years to date.

The Opening Hours stated on the planning application are: 09:30 to 23:00hrs seven days a week.

Taking into account existing permissions (planning and licensing), I would recommend the following informative:
It is recommended that you produce a noise management plan to demonstrate all noise sources have been considered and controlled, as per the advice and guidance provided on the premises licence application. Should you wish the guidance to be resent, please contact our team.

Air Quality	Officer:
Contaminated Land	Officer:
Other Matters Including drainage provision, food safety, health and safety, licensing.	Officer:
Recommendation:	It is recommended that you produce a noise management plan to demonstrate all noise sources have been considered and controlled, as per the advice and guidance provided on the premises licence application. Should you wish the guidance to be resent, please contact our team.
Conditions	

Please contact the Environmental Control and Protection Officer should you wish to discuss these comments.
