Decision Date: 21 November 2023

Applicant:	Mr & Mrs R Diserens 12 SPRINGFIELD PARK, TISBURY, SALISBURY, SP3 6QN
Particulars of Development:	Remove existing conservatory. Construct garden room, porch and first floor bedroom. Convert integral garage to utility room and carry out internal alterations.
At:	12 Springfield Park, Tisbury, Salisbury, SP3 6QN

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).
In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.
Subject to the following conditions:

Conditions: (8)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents: P858/01 Location plan, P858/02 Existing block plan and P858/03 Existing plans and elevations dated 21/07/23, P858/04 Proposed block plan dated 30/08/23, P858/05 Rev A Proposed plans and elevations dated 14/09/23 and P858/06 Proposed retaining wall dated 21/11/23.

REASON: For the avoidance of doubt and in the interests of proper planning.

3 The development hereby permitted shall not be first brought into use until the area between the nearside carriageway edge and a line drawn 2.4m parallel thereto over the entire site frontage has been cleared of any obstruction to visibility at and above a height of 900mm above the nearside carriageway level, and maintained as such thereafter.

REASON: In the interests of highway safety.

4 The development hereby permitted shall not be first brought into use until the whole of the parking area, has been consolidated and surfaced (not loose stone or gravel). The access shall be maintained as such thereafter.

REASON: In the interests of highway safety.

5 Notwithstanding the submitted details, the proposed development shall not be occupied until means/works have been implemented to avoid private water from entering the highway.

REASON: To ensure that the highway is not inundated with private water.

6 The gradient of the access way shall not at any point be no steeper than 1m in 15 metres from its junction with the public highway.

REASON: In the interests of highway safety.

7 The vehicle access and parking spaces shall remain ungated.

REASON: In the interests of highway safety.

8 No part of the development hereby permitted shall be first brought into use until the access & parking spaces [2] have been completed in accordance with the details shown on the approved plans. The areas shall always be maintained for those purposes thereafter and maintained free from the storage of materials.

REASON: In the interests of highway safety.

Informatives: (4)

The application involves an extension to the existing vehicle access/dropped kerb. The consent hereby granted shall not be construed as authority to carry out works on the highway. The applicant is advised that a licence will be required from Wiltshire's Highway Authority before any works are carried out on any footway, footpath, carriageway, verge or other land forming part of the highway. Please contact our Vehicle Crossing Team on vehicleaccess@wiltshire.gov.uk and/or 01225 713352 or visit their website at http://wiltshire.gov.uk/highways-streets to make an application.

The applicant is advised that, if it is proposed to drain this development directly into the river or carry out any work within 8 metres of the watercourse then a Land Drainage Consent is required from the Environment Agency. For further information see www.environment-agency.gov.uk

The applicant is requested to note that this permission does not affect any private property rights and therefore does not authorise the carrying out of any work on land outside their control. If such works are required it will be necessary for the applicant to obtain the landowners consent before such works commence.

If you intend carrying out works in the vicinity of the site boundary, you are also advised that it may be expedient to seek your own advice with regard to the requirements of the Party Wall Act 1996.

Any alterations to the approved plans, brought about by compliance with Building Regulations or any other reason must first be agreed in writing with the Local Planning Authority before commencement of work.

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
