14 May 2025

Dear Sir/Madam

Partial Discharge of Conditions 6 and 20

Application No:	PL/2023/08567
Proposal:	Partial Discharge of Conditions 6 **and 20** on 18/00195/LBC (Stables floor - lifting of existing historic finishes and proposed finishes) First floor
Site Address	Tottenham House and Estate, Grand Avenue, Savernake, SN8 3BE
On Behalf of	Mr Chris Rokos

Thank you for your recent email in respect of the partial discharge of Condition 20 in relation to works for the reinstatement of floor finishes on the first floor of the Old Stables. Condition 20 required details for the treatment of floors including e) details of any new and replacement floor finishes.

The details submitted via your email dated 12 May 2025 include an additional drawing detailing the floor build-ups required to facilitate the installation of the previously approved finishes. The proposed floor build-ups are detailed on the following document (n.b. for clarity the drawing indicating the floor finishes has been included again on this occasion):

BLDA Architects:

First Floor Finishes Plan ref. 3123 F402 Rev B

Proposed floor build-ups – First Floor ref. 3123-280 Rev *

The details allow for the installation of new finishes at first floor level in the Old Stables. The proposals are considered to be acceptable to facilitate the reinstatement and future use of the building whilst minimising any impact on the significance of the building and the works may now be carried out in accordance with the details listed above. We will look forward to receiving final details for the floor finishes, including the reinstatement of removed materials, in due course.

This letter acts as official confirmation and therefore I suggest that you attach it to the decision notice as evidence that you have complied with the requirements of the relevant condition.

Yours faithfully
Head of Development Management
