Landowner Consent Form

This form is to be completed by the landowner (or authorised person for the landowner) and provides consent for Wiltshire Wildlife Trust to apply for planning permission in the landowners name, in the field encompassing ST 96452 26434, on the landowner's land. The proposed works include the construction of one wildlife pond and have been discussed with the landowner. They are included in the accompanying document (Plan Overview July Cottage) and any amendments made in subsequent email/telephone conversations.

Please note this document does not form a binding legal agreement.
