Proposed Window

To provide natural light on the staircase
leading to the loft conversion.

External

White UPVC **clear** double glazed window.
450mm x 900mm with top vent, **non-opening**.
To match existing 900mm x 900mm window.
Fit lintel, cavity tray, weep holes & cavity closures.
Fit blue engineering soldier bricks above & below.
Reverse cut existing facing bricks to provide neat finish.
Note existing facing brick outer leaf, uninsulated cavity
& aerated block inner leaf.

Internal

Fit 25mm MDF bull- nose window board.
12.5mm plasterboard & skim finish.
White emulsion paint as necessary.
