Subject: PL/2023/07599

This notice is on the front gate of 34 Margaret's Street Bradford on Avon. The street has been closed for nearly a year and virtually no members of the public apart from frontages have used in this period . The development applied for fronts
onto Frome Road and is only visible
from that direction. With respect it is non sensical to seek public comment by publicising it in this way . There should be a notice on Frome Road
Yours sincerely Jonathan Brown
