Wiltshire Council

The Town and Country Planning Act 1990

Approval of Outline Planning Permission (Some Matters Reserved) with Conditions

Application Reference Number: PL/2023/05180

Decision Date: 18 December 2023

Applicant:	Mr Stuart Butcher c/o agent, c/o agent, BA14 6AT
Particulars of Development:	Proposed 1no. new Dwelling with New Access (Outline application with all matters reserved except access).
At:	62 Lowbourne, Melksham, SN12 7ED

In pursuance of its powers under the above Act, the Council hereby grant **PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below). In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area. Subject to the following conditions:

Conditions: (12)

1 The development hereby permitted shall be begun either before the expiration of three years from the date of this permission, or before the expiration of two years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 An application for the approval of all of the reserved matters as specified in condition 3 shall be made to the Local Planning Authority before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

3 No development shall commence until details of the following matters (in respect of which approval is expressly reserved) have been submitted to, and approved in writing by, the Local Planning Authority:

(a) The scale of the development;
(b) The layout of the development;
(c) The external appearance of the development;
(d) The landscaping of the site.

The development shall be carried out in accordance with the approved details. The reserved matters shall be submitted as a single phase, unless otherwise agreed by the Local Planning Authority.

REASON: The application was made for outline planning permission and is granted to comply with the provisions of Section 92 of the Town and Country Planning Act 1990 and Article 5 (1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

4 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Existing Topographical site plan ref:AH2021/108 Sheet 2 of 2;
Indicative Proposed site plan and location Plan with indicative elevations ref AH2021/108 Sheet 1 of 2
Flood Risk Assessment received 3 July 2023.

REASON: For the avoidance of doubt and in the interests of proper planning.

6 No development shall commence on site (including any works of demolition), until a Construction Method Statement, which shall include the following:
a) the parking of vehicles of site operatives and visitors;
b) loading and unloading of plant and materials;
c) storage of plant and materials used in constructing the development;
d) wheel washing facilities;
e) measures to control the emission of dust and dirt during construction;
f) a scheme for recycling/disposing of waste resulting from demolition and construction works; and
g) measures for the protection of the natural environment.
h) hours of construction, including deliveries;
has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be complied with in full throughout the construction period. The development shall not be carried out otherwise than in accordance with the approved construction method statement.

REASON: To minimise detrimental effects to the neighbouring amenities, the amenities of the area in general, detriment to the natural environment through the risks of pollution and dangers to highway safety, during the construction phase.

7 No development shall commence on site (save for demolition and site clearance works) until a foul and surface water drainage strategy including a scheme for the discharge of surface water from the site (including surface water from the access/driveway), incorporating sustainable drainage details, has been submitted to and approved in writing by the Local Planning Authority. The development shall not be first occupied until foul and surface water drainage has been constructed in accordance with the approved scheme.

REASON: To ensure that the development can be adequately drained.

8 No development shall commence on site above ground slab level (save for demolition works) until a scheme of hard and soft landscaping has been submitted to and approved in writing by the Local Planning Authority, the details of which shall include :-

• location and current canopy spread of all existing trees and hedgerows on the land;
• full details of any to be retained, together with measures for their protection in the course of development;
• a detailed planting specification showing all plant species, supply and planting sizes and planting densities;
• finished levels and contours;
• means of enclosure;
• car park layouts;
• other vehicle and pedestrian access and circulation areas;
• all hard and soft surfacing materials;
• minor artefacts and structures (e.g. furniture, refuse and other storage units, signs, lighting etc);
• proposed and existing functional services above and below ground (e.g. drainage, power, communications, cables, pipelines etc indicating lines, manholes, supports etc);

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

9 All soft landscaping comprised in the approved details of landscaping shall be carried out in the first planting and seeding season following the first occupation of the building(s) or the completion of the development whichever is the sooner; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, within a period of five years, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local planning authority. All hard landscaping shall also be

carried out in accordance with the approved details prior to the occupation of any part of the development or in accordance with a programme to be agreed in writing with the Local Planning Authority.

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

10 The development hereby permitted shall not be occupied until details of secure covered cycle parking facilities have been submitted to and approved in writing by the Local Planning Authority. These facilities shall be provided in accordance with the approved details and made available for use prior to the first occupation of the development hereby permitted and shall be retained for use at all times thereafter.

REASON: To ensure that satisfactory facilities for the parking of cycles are provided and to encourage travel by means other than the private car.

11 The development hereby approved shall not be first occupied until details of recycling and waste facilities ave been submitted to and approved in wirting by the LPA. The development shall not be occupied until these approved details have been provided and made available for use. These facilities shall be maintained in accordance with the approved details thereafter.

REASON: To ensure the provision of satisfactory facilities for the storage of refuse and recycling.

12 The reserved matters application shall demonstrate sufficient off-street parking spaces in line with the Council's adopted parking standards along with sufficient turning space to ensure vehicles can enter and leave the site in a forward gear. No part of the development hereby permitted shall be first occupied until the approved access, turning area and parking spaces have been completed in accordance with these approved details. The areas shall be maintained for those purposes at all times thereafter.

REASON: In the interests of highway safety.

13 The development hereby permitted shall not be first occupied until the first five metres of the access, measured from the edge of the carriageway, has been consolidated and surfaced (not loose stone or gravel). The access shall be maintained as such thereafter.

REASON: In the interests of highway safety.

Informatives: (2)

14 The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition, you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to the Council's Website https://www.wiltshire.gov.uk/dmcommunityinfrastructurelevy.

15 The applicant should note that the works hereby approved may involve the removal and disposal of asbestos cement roofing. Such matter should only be removed by a licenced contractor Asbestos waste is classified as 'special waste' and as such, can only be disposed of at a site licensed by the Environment Agency. Any contractor used must also be licensed to carry 'special waste'.

Parvis Khansari - Corporate Director, Place

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
