Details of the pre-application advice received

Dear Chris

Thank you for your recent enquiry, I note you have also sent in a “do I need planning permission” form, please accept this response for both, I had to check with a Team Leader as I could not find a section within the General Permitted Development Order that covered Fire stations.

On checking the Team leader has stated that there isn’t a section within the GPDO and as such planning permission would be required for the proposed works.

As this is a replacement and a smaller building we do not believe there will be  any issues for this.

A full planning application would be required and a fee of approximately £293 would be required.

## Authority Employee/Member

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**
**(a) a member of staff**
**(b) an elected member**
**(c) related to a member of staff**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**
