Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Upon commencing on site, and during excavation and demolition, the contractor came across a power cable running through the garden, which supplies the rest of the terrace (we believe). The applicant had no record of this cable in their files. They contacted the utillities company (SSEN) to find out if the cable could be relocated and what the cost would be, which was excessive and completely unfeasible. We then looked at redesign options which would avoid the need to relocate the cable.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Please replace the submitted plans with the attached plans
