JA Solar 325W Monocrystalline Percium All Black Half-Cell Solar Panel

SKU: JAM60S-12-310-PR-AB-MC4
Posted in JA Solar, Solar Panels, Standard Solar Panels.

Description | Reviews (0) | Downloads

JA 325W Monocrystalline Solar Panel, with PERC technology.

Advantages

- Lower internal module losses,
- Higher resistance to effect of shading
- Lower risk of hot spot
- Better temperature coefficient.
- Lower risk of micros cracks thanks to improved mechanical loading properties.

Technical Specifications

- Rating: 325W
- Efficiency: 19.3%
- Width: 996mm
- Height: 1,689mm
- Depth: 35mm
- Weight: 18kg
- Connector: MC4
