Wiltshire Council Planning Consultation Response

23 January 2024

Wiltshire Council Drainage Engineer
Technical Services Drainage Engineer
Wiltshire Council

Officer's Name: Kenny Green
Direct Line: 01225 770251

Application No: **PL/2023/10889**
Approval of details reserved by a condition
Discharge of Conditions 18 and 20 of planning application 20/06840/FUL (Construction of a solar farm and battery storage facility together with all associated works, equipment and necessary infrastructure).
Land North of Melksham Substation, Near Melksham, Wiltshire,
Eastings: 390183 Northings: 167086

Please note the particulars in connection with the above planning application are available to view on the planning website http://www.wiltshire.gov.uk/planninganddevelopment.htm

Matters Considered:

- 6. Typical Battery Storage System Details 1.pdf
- 7. Typical Battery Storage System Details 2.pdf
- Application Form Redacted.pdf
- L005v1 PL - Wick Condition 18 and 20 Cover Letter 04.12.23 NO WEB.pdf
- Site Layout and Planting Plan.pdf
- Table 1 - Building Material and Colour Finishes.pdf

Condition 18 states:
No development shall commence on site until reporting and drawings containing build details of the location, manufacturer, size and designs for the proposed batteries, and details showing the final location, construction method and flood risk impact of the cable trenches have been submitted and approved by the Local Planning Authority in consultation with Network Rail. The development shall thereafter be carried out in accordance with the approved details.

Condition 20 states:
No development shall commence on site until full details of the finish and colour of all structures, equipment, fencing and support frames for the solar panels hereby approved has been submitted to and approved in writing by the Local Planning Authority.

The LLFA therefore has no further comments and recommends drainage above drainage conditions to be discharged.
