PL/2023/10210 4 Council Houses, Sedgehill SP7 9JJ

Dear Amy

Sedgehill and Semley Parish Council would like to make clear that this application, as it stands, is currently unacceptable. We have noted the objections from residents living nearby and, after a site visit, we can fully understand why those objections have been made and would support the views expressed.

We would like to thank the applicant for allowing the site visit and feel that it was a constructive meeting, with a number of important amendments being discussed and agreed. These included the re-siting of the barn to sit alongside the applicant's house and the planting of trees and hedging to form a screen to minimise visibility of the barn.

The applicant's agent was present at the site visit and undertook to incorporate these amendments and get plans redrawn and resubmitted.

Until such time as we can review these amendments and see that they reflect the discussions had on site we must object to the application.

Yours sincerely

David Curless
