Dear Sir/Madam

Discharge of Condition

Application No:	PL/2023/09842
Proposal:	Discharge of Condition No 3 on PL/2023/05998 - Installation of conventional lightning protection system employing a Faraday Cage involving network of air terminations and down conductors over roofs and elevations.
Site Address	Lacock Abbey, High Street, Lacock, Chippenham, SN15 2LG
On Behalf of	Mrs Sarah Maddaford

Thank you for your recent request to discharge conditions related to the above.

After consideration of the information, you have provided we are pleased to agree that the following conditions are discharged:

Condition No. 3 seeks that no development shall commence to install the hereby consented Lightening Protection System (LPS) at Lacock Abbey until: a) A written programme of archaeological investigation (WSI) , which should include on-site Test Pit locations and off-site work such as the analysis, publishing and archiving of the results, has been submitted to and approved by the Local Planning Authority; and b) The approved programme of archaeological work has been carried out in accordance with the approved details. REASON: To enable the recording of any matters of archaeological interest.

Your submitted Written Scheme of Investigation has been assessed in consultation with the County Archaeologist and is considered to satisfy the requirements to discharge the Condition No. 3 a)

This is a partial Discharge. Discharge of Condition 3 b) will require the approved programme of archaeological works has been carried out in accordance with the approved WSI details.

This letter acts as official confirmation and should be retained with your Decision Letter Ref. PL/2023/05812.

List of conditions discharged by this request. (1)
