Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2024/00116

Decision Date: 01 March 2024

Applicant:	Mr Duncan Forster 12 Horsebrook Park, Calne, SN11 8EX
Particulars of Development:	Formation of vehicular access
At:	Land adjoining B3098, Foxley Corner, Urchfont

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (7)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Application Form
Covering Letter by David Jarvis Associates - AS/HC/3235/1 dated 4th January 2024
Technical Note 1: Proposed Field Access and Gate - by cda Condon Transport dated January 2024
Location Plan
Proposed Agricultural Access and B3098 Visibility Splays - Drawing Number: 23002/002 Rev A
Proposed Agricultural Access Swept Path Analysis - Drawing Number: 23002/003 Rev A

Proposed Hedgerow Planting Schedule - Drawing No. DR -0001 Version S4-P1

REASON: For the avoidance of doubt and in the interests of proper planning.

3 The permitted gates shall open inwards only and be maintained as such for the lifetime of the development.

REASON: In the interests of highway safety.

4 No part of the development shall be first brought into use, until the visibility splays shown on the approved plans have been provided with no obstruction to visibility at or above a height of 900mm above the nearside carriageway level. The visibility splays shall be maintained free of obstruction at all times thereafter.

REASON: In the interests of highway safety

5 The development hereby permitted shall not be first brought into use until the first 5m of the access, measured from the edge of the carriageway has been consolidated and surfaced (not loose stone or gravel). The access shall be maintained as such thereafter.

REASON: In the interests of highway safety

6 Notwithstanding the submitted details, the proposed development shall not be brought into use until means/works have been implemented to avoid private water from entering the highway.

REASON: To ensure that the highway is not inundated with private water.

7 The hedgerow demonstrated in the approved details shall be carried out in the first planting and seeding season following the first occupation of the land; ; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, within a period of five years, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species.

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

Informatives: (2)

The application involves the creation of a new vehicle access and dropped kerb. The consent

8 hereby granted shall not be construed as authority to carry out works on the highway. The applicant is advised that a licence will be required from Wiltshire's Highway Authority before any works are carried out on any footway, footpath, carriageway, verge or other land forming part of the highway. Please contact our Vehicle Crossing Team on vehicleaccess@wiltshire.gov.uk and/or 01225 713352 or visit their website at http://wiltshire.gov.uk/highways-streets to make an application. The applicant must also ensure that any works within 8m of a watercourse (including discharge to and/or piping of road side ditches) will require full Land Drainage Consent . Please contact the Drainage Team at Drainage@wiltshire.gov.uk

9 The applicant should note that under the terms of the Wildlife and Countryside Act (1981) and the Habitats Regulations (2017) it is an offence to disturb or harm any protected species including for example, breeding birds and reptiles. The protection offered to some species such as bats, extends beyond the individual animals to the places they use for shelter or resting. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.

Parvis Khansari **- Corporate Director, Place**

NOTES

1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.

1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**

1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);

1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;

1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).

2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - http://www.planningportal.gov.uk/planning/appeals).

3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk

4 **CIL.** The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. A separate Community Infrastructure Levy Liability Notice will be issued by the Local Planning Authority. Should you require further information with regards to CIL please refer to the Council's Website www.wiltshire.gov.uk/planninganddevelopment/planningpolicy
