In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).
In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.
Subject to the following conditions:

Conditions:

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Location Plan – received 09/10/2023
Proposed Site Plan – received 04/10/2023
Sketched Section Drawing – received 07/03/2024

REASON: For the avoidance of doubt and in the interests of proper planning.

3 Notwithstanding the detail contained on the proposed site plan, no surplus spoil heaps shall be positioned along the riverbank, and no spoil heap(s) shall be formed following excavation works associated to the hereby approved development, until the exact siting is first agreed in writing with the Council and the height and site area of any such spoil heap shall be required to evidence how it would be managed to avoid direct affects to the main river, avoid flood risk and include measures for the protection of the

natural environment and/or deliver biodiversity net gain.

Thereafter, the works shall be competed in accordance with the approved detaisl and shall be maintained as such for the lifetime of the development.

REASON: To minimise detrimental effects to the natural environment and/or flood risk.
