Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2023/09949

Decision Date: 27 March 2024

Applicant:	Mr Trevor Hobgen Church Street, Warminster, Wiltshire, BA12 8PQ
Particulars of Development:	Installation of main gas supply
At:	St Denys Church, Church Street, Warminster, Wilts, BA12 8PQ

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (4)

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Map of Gas Pipe Route received on 17th November 2023

Application Forms, Design and Access Statement, Location Plan, received on 7th December 2023

REASON: For the avoidance of doubt and in the interests of proper planning.

3 No development shall commence within the churchyard of St Denys Church in relation to this application until:

a) A written programme of archaeological investigation, which should include on-site work and off-site work such as the analysis, publishing and archiving of the results, has been submitted to and approved in writing by the Local Planning Authority; and

b) The approved programme of archaeological work has been carried out in accordance with the approved details.

REASON: To record and advance understanding of the significance of any heritage assets to be lost in a manner proportionate to their importance and to make this evidence and any archive generated publicly accessible in accordance with Paragraph 211 of the NPPF.

The programme of archaeological work should comprise the archaeological monitoring of the excavation of the new gas main and will conclude with the preparation of a report on the results commensurate with their significance.

4 Prior to its installation, details of the GC4 freestanding kiosk and its exact location, shall be submitted to and approved in writing by the Local Planning Authority.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting planning permission and the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.
