Wiltshire Council

The Town and Country Planning Act 1990

Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2023/11156

Decision Date: 21 May 2024

Applicant:	Red Oak Taverns Ltd 5A Gamma Terrace, West Road, Ipswich, IP3 9FF
Particulars of Development:	Retrospective permission for retention (with amendments) of beer garden works
At:	The Rose and Crown Inn, High Street, Malmesbury, SN16 9AT

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (4)

1 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Location and Block plan DWG Number 1087-010 received 20 February 2024
Proposed beer garden treatments plan 2 DWG Number 1087-030A received 20 February 2024

REASON: For the avoidance of doubt and in the interests of proper planning.

2 The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in material, colour and texture those set out in the plans submitted

REASON: In the interests of visual amenity and the character and appearance of the

area.

3 The structures here by approved and existing shall at no time be altered to form a closed building or altered to fit a roof covering be it temporary or permanent at any time outside of that already in existence or hereby on the approved plans submitted without express permission of the planning authority.

REASON: In the interests of residential and visual amenity and the character and appearance of the area.

4 No external lighting shall be installed on-site unless plans showing the type of light appliance, the height and position of fitting, illumination levels and light spillage in accordance with the appropriate Environmental Zone standards set out by the Institution of Lighting Professionals in their publication “The Reduction of Obtrusive Light” Guidance Note 01/21 (reference GN01/21), have been submitted to and approved in writing by the Local Planning Authority. The approved lighting shall be installed and shall be maintained in accordance with the approved details and no additional external lighting shall be installed.

REASON: In the interests of the amenities of the area and to minimise unnecessary light spillage above and outside the development site.

Informatives: (2)

Any alterations to the approved plans, brought about by compliance with Building Regulations or any other reason must first be agreed in writing with the Local Planning Authority before commencement of work.

The applicant is requested to note that this permission does not affect any private property rights and therefore does not authorise the carrying out of any work on land outside their control. If such works are required it will be necessary for the applicant to obtain the landowners consent before such works commence.

If you intend carrying out works in the vicinity of the site boundary, you are also advised that it may be expedient to seek your own advice with regard to the requirements of the Party Wall Act 1996.
