Dear Sir/Madam,

Appropriate Assessment for application PL/2023/04008

Wiltshire Council agrees with the Appropriate Assessment AA (attached) for the above planning application and hereby requests the views of Natural England. The application details can be viewed by entering the application number in the search bar at Home (wiltshire.gov.uk).

Please do let me know if you have any queries regarding the AA. If the response could be issued to myself directly and copied to the planning officer (copied in above), that would be much appreciated.

Kind regards,

Lizzie
