Dear Mykola

**Application PL/2025/03307 – Full Planning Permission
Erection of B8 unit with associated works
Land West of Oakleigh Acres, Draycot Cerne, Chippenham SN15 5LH
For Mr Darren Barnsley**

Thank you for the opportunity of commenting on this full planning application.

My Council met last evening and has asked me to forward the following comments to you.

The Council acknowledges that this rural area around M4 Junction 17 and the associated Draycot minor road network has changed dramatically over the last few years. Ad-hoc planning decisions have been made with no overall planning policy for the area and appears now as simply a commercial expansion area within the countryside and possibly that it is too late to stop this trend.

However, the Council cannot let the opportunity go by without raising the issue of increasing HGV traffic levels using the local road network to reach the area and also the continued impact on Junction 17 itself. This proposal will add to the difficulties already experienced.

The Council trusts that their views will be taken into consideration when the application is determined.

Yours sincerely

Vivian Vines
