Date: 06/08/2025

Dear Planning Team,

Title: Application for Approval pursuant to Regulations 75 - 78 of the Conservation of Habitats and Species Regulations 2017 (as amended) for subterranean development.

In line with the determination procedures under the above legislation this letter is to advise you that BT intends to install fixed line broadband electronic communications apparatus at

Workpoint1: At Grid reference 424283,148688 (Approx 120m from JUF6:570), Locate existing 1-way duct and build a new JUF4 on the grass verge. Then provide 10m of D56 across perham down road to another new JUF4 on the opposite side of the road.

Workpoint2: From new JUF4 at grid reference 424288,148681 provide 155m duct D56 to another new JUF4 at outside cellsite boundary.

Workpoint3: From new JUF4 outside cellsite grid reference 424289,148527 provide 4m duct D56 to cellsite plinth.

I have enclosed a copy of the plan indicating the approximate position for the proposed Structure and duct.

BT will be applying to the Local Planning Authority for a determination as to whether prior approval on sitting and appearance of the apparatus is required before installation. The application will be available for public inspection at the planning office during their usual office hours. Any person who wishes to make a representation about sitting and appearance may do so by writing to the address below within 14 days of the date of this notice.

Local Planning Authority Address: - Wiltshire Council, Monkton Park Offices, Monkton Hill, Chippenham, SN15 1ER.

If you require further information regarding the above work, please do contact me for further information.

Yours faithfully,

Thennilavan
