Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Convert the current garage into an internal room.

Block up the garage doorway and replace it with the equivalent area of composite cladding with a window inset into it. The cladding will be the same colour as the existing windows and garage doors (anthracite) giving a very similar "look and feel" to the current external view of the property. This approach also avoids having a mismatch look of old and new stone.

Please state why you wish to make this amendment

To create more usable living space in the property

- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
