

A horizontal number line is shown with tick marks at 0, 2m, 4m, and 6m. The line is divided into segments by vertical lines. From 0 to 2m, there are four segments of equal length, alternating between shaded and unshaded, starting with a shaded segment. From 2m to 4m, there is one shaded segment followed by one unshaded segment. From 4m to 6m, there is one shaded segment followed by one unshaded segment.
