There are also parking lots and a scale bar indicating distances of 0, 1, 5, and 10 meters. The plan is oriented with North at the top, as indicated by the north arrow.

The site plan shows the layout of the Moto Services area. It includes several building footprints, parking lots, and a scale bar. The buildings are arranged in a row, with parking lots on either side. A scale bar indicates distances of 0, 1, 5, and 10 meters. A north arrow is also present in the bottom right corner.

The site plan illustrates the layout of the Moto Services area. It features several large rectangular building footprints, some of which are subdivided into smaller units. A prominent parking lot is located to the left of the main building cluster. To the right, there is a smaller building complex with a distinct roofline. The plan also shows a road network, including a main road running horizontally across the top and a road curving around the right side. A scale bar and a north arrow are provided in the bottom right corner for reference.
