Morning Richard,

CWI14002: 15/04736/OUT: West Ashton Park: WSI for SMR Excavations

Thank you for sending me your Written Scheme of Investigation (WSI) for the proposed Strip, Map and Record (SMR) excavations at West Ashton Park, which I approve.

Please ensure that the archaeological contractors carrying out this work produce their own specific WSI and submit this document to me for review and approval prior to the commencement of any fieldwork (submission and approval of this document will be required before the archaeological condition can be partially discharged).

Also, please note that any human remains exposed by the excavations will have to be recorded and lifted under a Ministry of Justice licence in line with Wiltshire Council Archaeology Service policy.

I look forward to these excavations, as we have been waiting for some years to see these areas investigated fully.

Kind regards,

Neil
