WARNING TO HOUSE PURCHASERS - Consumer Protection from Unfair Trading Regulations 2008
Buyers are warned that this is a working drawing and is not intended to be treated as descriptive material describing, in relation to any descriptive material describing, in relation to any descriptive particular property or development, any of the Specific Matters prescribed by an Order made under the above Regulation. The contents of this drawing may be subject to change at any time & alterations and variations can occur during the progress of the works without revision of the drawing. Consequently the layout, form, contents & dimensions of the finished construction may differ materially from those shown. Nor do the contents of this drawing constitute a contract, part of any contract or a warranty.

GENERAL NOTES

1. Before commencing any work on site refer to the risk management drawings and/or registers.
2. This drawing shall be read in conjunction with the distribution schematics/schedules and internal schematics.
3. This drawing is for design intent only. It is the contractors responsibility to produce working drawings of all services.
4. This drawing shall be read in conjunction with the architectural, structural and civil engineering services specifications and schedules.
5. Do not scale from these drawings. Refer to architectural drawings for setting out and dimensional data. Any dimensions indicated on these drawing are indicative.
6. No installation shall occur before co-ordination has been discussed and agreed between the installing contractors.
7. Any discrepancies found must be reported to Whitecode Consulting for clarification.
8. All sprinkler sizes to be confirmed with sprinkler specialist.
