COUNTER BULKHEAD SIGN:- Not required by Client

GENERAL NOTES

ALL SIGNAGE TO BE DESIGNED & INSTALLED IN ACCORDANCE WITH THE LATEST DOMINION UK & IRELAND SIGNAGE MANUAL (version 3) issued 02/20/2010 & as subsequently amended. The signage supplier's fabrication and installation drawings must not deviate from these requirements. The signage supplier shall submit drawings for approval to the DPG Design and Build team for approval and if necessary further approval from DP2. Time for this approval must be built into any project requiring a bespoke sign design.

Fixing and support details to be approved by Local Authority, all by specialist signage contractor. Main contractor to provide suitable flat grounds and level concrete base for signage.

Projecting signage to have a minimum 2440mm clearance or as otherwise required by Local Authority. Signage projecting over the public highway will require a licence or an amendment to an existing licence under section 177 of the Public Highways Act 1980. The consent of the property owner or the Council is required for the Town & Country Planning (Conservation of Buildings (England and Wales) Regulations) 2007.

Title logo must always be at 45deg.

Single domino dot must always be at the top.

A small white 'S' is to be incorporated to the top right of the "Dominos" letter "S" and at the bottom of the title logo.

All signage drawings must be submitted to the Domino's project manager for written approval prior to manufacture and installation. Any queries or discrepancies must be raised immediately with the Domino's project manager.
