3. Before making a request for a planning application to be referred to a Planning Committee Members are asked to discuss it with the case officer to ensure that they are aware of all of the relevant considerations and the likely recommendation. This should ensure that only those applications that need to, appear on agendas. (There have been cases where applications have appeared where the officer's recommendation is in line with the Members thoughts).

I have discussed this application with the case officer. *

☐ Yes

☒ No

4. I request this application to be called to committee if the recommendation is for:

☒ Approval

☐ Refusal

5. I request that the above mentioned planning application is considered at a meeting of the Planning Committee. I have indicated below the key issues which I consider justify the call in.

☐ Scale of development

☐ Visual impact upon the surrounding area

☒ Relationship to adjoining properties

☐ Design – bulk, height, general appearance

☒ Environmental/highway impact

☐ Car parking (use)

6. Other (please specify)

I request call-in due to significant public interest, given recent developments in the vicinity of this proposed development. There are concerns regarding transport and highways impact, particularly the constrained visibility onto Idmiston Road, agricultural vehicle movements and limited pedestrian provision. There is also concerns that the isolated rural siting makes it impractical for residential use. The barn is located away from services, and sits within an active agricultural setting - conditions which may expose future occupants to noise and operational farm activity.
