

Salisbury Greentrees Primary School

Supporting Statement for renewal planning permission for unit no. 837 (15)

Accommodation currently available at Salisbury Greentrees Primary School includes fourteen permanent classrooms and a LEA nursery unit.

LEA Nursery Unit no. 837 (15) now requires renewal planning permission.

Forecast numbers are:

September	2025	2026	2027	2028
Number on Roll	423	418	406	394

It is forecast that the nursery will continue to be full within these overall numbers.

Predicted numbers indicate the school will need to maintain the current fourteen-class structure for the foreseeable future and therefore needs to retain all the current accommodation located on the school site.

Planning permission is therefore requested for temporary building number 837 (15) at Salisbury Greentrees Primary School.
