This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

- ☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply
- *A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Details of the pre-application advice received

Email sent 03 October 2025 following site visit and discussion with the applicant:

"I am writing to follow up on our recent meeting regarding the outbuilding. Enforcement reference ENF/2025/00820 refers.

During our discussion, I advised that the works appeared to fall under permitted development rights. However, after reviewing the matter in more detail, I have since identified that the building is located within the curtilage of a listed building. As such, permitted development rights do not apply in this instance, and planning permission should have been obtained prior to the works being carried out.

To rectify the situation, a retrospective planning application will need to be submitted."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
