

Highway Development Management Consultation Response

Planning Application Ref: PL/2025/08417

Site Address: Abbotswood Farm, 45 The Common, Bromham, Chippenham, SN15 2JJ.

Proposal: Retrospective change of use from agricultural to B8 (Storage & Distribution) to support operations associated with a fallen stock collection business.

Date of Consultation Response: 01/12/2025

I refer to the above planning application dated 05/11/2025 seeking permission for a retrospective change of use from agricultural to B8 (Storage & Distribution) to support operations associated with a fallen stock collection business.

The site is located with existing access onto The Common, a C classified section of public highway subject to a speed limit of 60mph. The site area does not meet the threshold for a Transport Statement or Assessment.

There are no proposals to alter the existing access with the public highway.

The proposed site use would not be deemed to intensify the use of the access with the public highway and therefore would not be considered a significant impact on the surrounding highway network.

It is therefore considered that no highway objection be raised.
