

OBJECT Comment Over Intensification of Property by 3 young people who have very challenging behavioural conditions having 1 to 1 carers 24/7, 2 shift changes per day plus on site manager with on call manager, health care, parental visitors with numerous vehicles parking difficulties and challenging road conditions EDUCATION Currently I understand there are no spaces available for these youngsters?

NOISE and DISTURBANCE

This affects us at no 23 within close proximity, we have taken evidence from someone with personal experience of living next to a similar house with just 3 youngsters in care their experience is devastating and frightening!!! For us at no 23 [REDACTED]
