

Highway Development Management Consultation Response

Planning Application Ref: PL/2025/08882

Site Address: 1 Douglas Haig Road, Salisbury, SP1 3NB.

Proposal: First-Floor Rear Extension, Pitched Roof to ground floor rear, and new rooflight.

Date of Consultation Response: 04/12/2025

I refer to the above consultation for planning advice dated 07/11/2025 with regard to permission for a first-floor rear extension, pitched roof to ground floor rear, and new rooflight.

The site has existing vehicle access from Douglas Haig Road, an unclassified section of public highway subject to a speed limit of 30mph. There are no proposals to alter the access with the public highway.

The proposals seek to increase the bedroom accommodation to 3-beds, there is a parking area to the property frontage for two vehicles to park, this meets the minimum requirement for a 3-bed dwelling, and it is therefore considered that no highway objection be raised.
