

Highway Development Management Consultation Response

Planning Application Ref: PL/2025/08895

Site Address: 43 Bendy Bow, Oaksey, Malmesbury, SN16 9TN.

Proposal: Proposed covered porch, single storey extension, demolition of existing detached garage and erection of triple bay garage.

Date of Consultation Response: 05/12/2025

I refer to the above planning application dated 10/11/2025 seeking permission for the proposed covered porch, single storey extension, demolition of existing detached garage and erection of triple bay garage.

The site is located with existing access onto Bendy Bow, an unclassified section of public highway subject to a speed limit of 30mph. There does not appear to be proposals to alter the public highway through the proposed development.

The proposal is to provide additional living space at ground floor level and additional covered vehicle parking through the addition of a triple bay garage.

The proposals would not be deemed detrimental to the surrounding public highway network. Therefore, it is considered that no objection be raised with regard to highways.
