

Table 1: Count of Traveller Caravans - Last Six Counts [note 1]

Table 1 is updated twice a year (for both the January and July count).

Latest update: January 2024 data, published June 2024.

Next update: July 2024 data, due to be published December 2024.

This worksheet contains one table. Data is sorted with England and regional totals at the top of the table, followed by local authority districts.

Using shortcut Control + G will bring up a list of all tables.

|                          |           |                              |      |         |       | Caravans on authorised sites, of which: privately funded sites with temporary planning permission | Caravans on authorised sites, of which: privately funded sites with permanent planning permission | Caravans on authorised sites, of which: total on privately funded sites | Caravans on unauthorised sites (without planning permission), of which: caravans on land owned by Travellers (unauthorised developments): "Tolerated" | Caravans on unauthorised sites (without planning permission), of which: caravans on land owned by Travellers (unauthorised developments): "Not tolerated" | Caravans on unauthorised sites (without planning permission), of which: caravans on land not owned by Travellers (unauthorised encampments): "Tolerated" | Caravans on unauthorised sites (without planning permission), of which: caravans on land not owned by Travellers (unauthorised encampments): "Not Tolerated" | Total caravans across all site types (authorised and unauthorised) |

Notes:

1. Due to National lockdowns during the Covid-19 pandemic, the Traveller Caravan Count was suspended in July 2020 and January 2021. Users should note that revisions may have been made to figures from previous counts in this release as a result of updated data being received.

2. Previously referred to as local authority sites. Includes sites owned by Private Registered Providers

imp Data has been partially or totally imputed due to non-submission or data quality issues - where data is missing, records have been carried forward from most recent submitted data (up to 3 July counts)

.. Data not submitted for at least 3 consecutive counts (values are still imputed for England total)

a Authority abolished 31st March 2020

b Authority abolished 31st March 2021

c Authority abolished 31st March 2023

d Authority created 1st April 2020

e Authority created 1st April 2021

f Authority created 1st April 2023

R Revised since last publication
