ELECTRICAL SYMBOLS KEY

- 5 amp single socket
- single socket
- double socket
- single spur
- shaver socket
- cooker control
- distribution board
- isolator
- thermostat
- extractor fan
- smoke alarm
- washing machine
- star
- television
- telephone
- movement sensor
- single switch
- pull cord switch
- single light
- spot light
- wall light
- fluorescent light

First Floor Plan

0 1 2 3 4 5 10m

NOTE:
This drawing is the best possible representation of the building based on the measured data collected. Any critical dimensions should be checked on site before any construction work is undertaken. Any discrepancies should be reported immediately to Lasermeaured Ltd.

Orientation of North is approximate. All levels are relative to the datum 10.00 which is an arbitrary level. All boundaries shown are existing boundary structures, legal boundaries should be established by others.

Do not scale from the paper copy for design or construction purposes.

Key to abbreviations:

ffl	- finished floor level
f/c	- ffl to ceiling height
f/us	- ffl to under side
rwp	- rainwater downpipe
svp	- soil vent pipe
mh	- manhole
bic	- built in cupboard
c/c	- centre to centre

- ffl
- ffl to under side
- door height
- ffl to internal top of cill
- ffl to internal window head
