

General Notes

Not scale from this drawing except for planning purposes. All dimensions of existing buildings must be verified on site by contractor. This drawing is to be read in conjunction with all other drawing specifications and general project conditions. All designs, service routes and co-ordination accuracy are to conform to and be approved by a statutory body, highways and/or building control. The Contractor is responsible for checking all drawings for dimensional and co-ordination accuracy prior to construction. Any discrepancy between the details shown and those by others are to be reported immediately to the architect. This drawing has been produced from the laser survey and drawings issued by the Client or their representatives. All boundaries, locations and measurements are confirmed to be and to be subject to a detailed survey by the Contractor before construction commences.

All dimensions are in millimetres unless stated otherwise. This drawing is issued only for the purposes stated. All dimensions are structural elements and not finished faces.
