

The Planning (Listed Building and Conservation Areas) Act 1990

Listed building consent - Approve with Conditions

Application Reference Number: PL/2025/07383

Decision Date: 10/12/2025

Applicant:	Mr and Mrs Alex and Clare Scrimgeour Beech Knoll , Crooked Corner, Aldbourne, Wiltshire, SN8 2EJ
Particulars of Development:	Fenestration alterations and internal alterations
At:	BEECH KNOLL, CROOKED CORNER, ALDBOURNE, MARLBOROUGH, SN8 2EJ

In pursuance of its powers under the above Act, the Council hereby GRANT LISTED BUILDING CONSENT for the above development to be carried out in accordance with the application and plans submitted (listed below), subject to compliance with the condition(s) specified hereunder:-

- 1** The works for which Listed Building Consent is hereby granted shall be begun before the expiration of three years from the date of this consent.

REASON: To comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2** The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Location and Block Plan. 2327 900. Received 2 September 2025.

Proposed Ground Floor Plan. 2327 D02J. Received 31 October 2025.

Proposed First Floor Plan. 2327 D03K. Received 31 October 2025.

Proposed E and W Elevations. 2327 D05J. Received 31 October 2025.

Proposed N and S Elevations. 2327 D07J. Received 31 October 2025.

Proposed Cross sections. 2327 D08G. Received 31 October 2025.

Window detail Snooker room. 2327 D100. Received 31 October 2025.

Bay window details. 2327 D102. Received 31 October 2025.

Bay window details. 2327 D103. Received 31 October 2025.

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3** The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in material, colour and texture those used in the existing building, and the brickwork used in the blocking up of the opening on the east elevation shall be laid in a coursing, bond and mortar bedding to match existing.

REASON: In the interests of visual amenity and the character and appearance of the listed building and local area.

- 4** No works for the installation of the new fireplace surrounds hereby permitted shall take place on site until details of the fireplace surrounds, including elevations at a scale of not less than 1:10, have been submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting Listed Building Consent and the matter is required to be agreed with the Local Planning Authority before works commence in order that the works are undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building.

- 5** No works for the installation of the 8/8 sash window in the east elevation shall commence on site until details of the window joinery have been submitted to and approved in writing by the Local Planning Authority. The submitted details shall include depth of reveal, details of heads, sills and lintels, elevations at a scale of not less than 1:10 and horizontal/vertical frame sections (including sections through glazing bars) at not less than 1:2. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting Listed Building Consent the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

- 6 No works for the replacement of the timber casement windows in the coach house, as identified on the approved plans, shall commence on site until details of the new and retained window joinery have been submitted to and approved in writing by the Local Planning Authority. The submitted details shall include depth of reveal, details of heads, sills and lintels, elevations at a scale of not less than 1:10 and horizontal/vertical frame sections (including sections through glazing bars) at not less than 1:2. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting Listed Building Consent the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

- 7 No works for the installation of flues, vents, or grilles shall commence on site until full details have been submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting Listed Building Consent the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

- 8 No works for the insertion of a doorway at ground floor between the 'Utility' and 'Boot Room', as shown on the Proposed Ground Floor Plan (D02 Rev J), shall commence on site until full details of the final works, including elevations detailing any structural support, have been submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting Listed Building Consent the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

Nic Thomas - Director of Planning, Economy and Regeneration

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <https://www.gov.uk/appeal-planning-decision>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. Adapting historic buildings for the future and making them energy efficient is a challenge and unique solutions may need to be found. [Historic England](#) provide guidance on this, including practical guidance on draught-proofing, insulating and ways of generating energy. The [Energy Saving Trust](#) provides more general information and resources on energy in homes. Also, [Warm & Safe Wiltshire](#) offers all residents across the county free and impartial telephone advice on energy saving. The developer is encouraged to contact the climate team to discuss this further: climate@wiltshire.gov.uk
