

**The Town and Country Planning (General Permitted Development)
(England) Order 2015 (as amended) Prior Approval Part 3, Class
MA: Commercial, business and service uses to dwellinghouses -
Prior Approval Required & Granted**

Application Reference Number: PL/2025/08660

Decision Date: 12/12/2025

Applicant:	Mr M Sonn C/O Mr Agent
Particulars of Development:	Prior Approval Part 3, Class MA - Change of Use of a commercial unit to residential use (Building 2)
At:	Renshaw Barns, Building 2, Netton, SP4 6FA

The local planning authority has determined in this case that its prior approval will be required and that this prior approval is **GRANTED** subject to the following condition(s):

- 1 The scheme hereby assessed must be completed in full within a period of 3 years starting with the date of this prior approval

REASON: To comply with the provisions of Condition 5 of MA.2 of Class MA of Part 3 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (As Amended)

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Ref: 25/0450/su01 – Survey Site Plan. Received – 30.20.3035

Ref: 25/0450/101 - Building 2 Proposed Plans. Received – 10.12.2025

Ref: 25/0450/102 – Building 2 Proposed Elevations. Received – 30.10.2025

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3 No part of the development hereby permitted shall be first occupied until 2 parking spaces have been laid out and are available to use by the occupants of Building 2. The areas shall always be maintained for those purposes thereafter and maintained free from the storage of materials.

REASON: In the interests of highway safety.

- 4** In the event that contamination, which was not previously identified, is found at any time when carrying out the approved development, all work should cease and it should be reported in writing immediately to the Local Planning Authority. An investigation and risk assessment should be undertaken by an appropriate contractor and where remediation is necessary, a remediation scheme should be prepared and a written remedial statement submitted to and approved in writing by the Local Planning Authority. The development shall recommence in accordance with the agreed details. The development shall not then be occupied until a written verification report, which confirms what works that have been undertaken to render the development suitable for use, has been submitted to the Local Planning Authority.

REASON: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors.

Informative

- 1** The applicant is reminded that the development hereby agreed is subject to a number of conditions regarding commencement; any subsequent operational development; and future uses, as set out in the supporting paragraphs of Class MA and W of Part 3 of Schedule 2 of the Town & Country Planning (General Permitted Development) (England) Order 2015 (As amended).

Informative

- 2** The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition, you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to the Council's Website

Informative

- 3** The Applicant is reminded that the site is situated within the catchment of the River Avon Special Area for Conservation and has potential to have an adverse effect upon the integrity of this European site. This means that the development hereby assessed as being permitted development cannot be lawfully commenced until the Local Planning Authority, along with the appropriate nature conservation body, has made an Appropriate Assessment of the implications for the European site(s) under the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019 (Habitat Regulations) and has confirmed that the proposals will not adversely affect the integrity of the site(s). It is therefore advised that the Applicant should consult with Natural England about the scheme and following their agreement, submit an application under Regulation 77 of the Habitat Regulations to the Local Planning Authority for consideration and approval.
