

Highway Development Management Consultation Response

Planning Application Ref: PL/2025/09136

Site Address: Stoney Patch, Lockeridge, Marlborough, SN8 4EL.

Proposal: 7m x 6m Oak Framed Double garage. Situated right side of drive entrance access through driveway.

Date of Consultation Response: 12/12/2025

I refer to the above planning application dated 03/12/2025 seeking permission for a 7m x 6m Oak Framed Double garage. Situated right side of drive entrance access through driveway.

The site has existing access from a C classified section of public highway subject to a speed limit of 30mph. There are no proposals to alter the existing access.

It is proposed to place the garage within the curtilage and to the east of the existing driveway, there would be space within the hardstanding to turn vehicles and allow access and egress with the public highway in a forward gear.

It is not considered that the proposals would be of detriment to the surrounding highway network, therefore it is recommended that no objection be raised with regard to highways.
