

Schedule of Materials

Site Address: 5 & 7 West Street, Wilton, SP2 0DL
Applicant: Prof. Nicky Edelstyn
Application Ref: PL/2025/05820
Date: 11/12/2025 - *Revised for planning.*

	Manufacturer/ Supplier	Specification	Dimensions	Photograph	Notes/ Description
Reclaimed Brickwork	The Beechfield Reclamation Co. (Devizes, Wiltshire)	Reclaimed Handmade Bricks	225 x 65 x 102.5mm to match existing in Flemish bond (mortar specification below)		To match existing original brickwork and locally sourced. Any bricks with large chips/ significant damage to their face <u>not</u> to be laid. To be painted white.
Lime Mortar	Mike Wye Ltd (Devon)	Unhaired Lime Mortar in MW Standard colour with Pozzolan	10mm Flush joints		Mixed at a ratio of 3:1 (sand: lime). Pozzolans are used to achieve a hydraulic set in traditional lime mortar and offer some protection against frost for external use. 10% – 20% by volume to be added depending on the time of year and exposure.
Natural Slate	Cupa Pizarras (Northern Spain)	Cupa 12 Spanish Natural Slate	5mm thickness, 500mm length, 250mm width, (20" x 10")		Grey natural slate with a smooth matt surface. Non-carbonated slate formed by tectonic compression.
