

Sutton Benger Village Hall –
Public Covered Open Space –
Public Consultation and Information Evening – November
10th 2025 at 7.30pm

An invitation (see below) was sent by means of a flyer in the October Parish News with a publication date of the last week of September 2025 to all households in Sutton Benger and Draycot Cern (approximately 600 households). The meeting was held on November 10th at 7.30pm in the village hall. The aim of the meeting was to inform the parishioners of the aim of the project, what was proposed to be built, where, when and how it would be financed. For those unable to attend or in case of further questions, an email address was supplied for enquiries.

Sutton Benger Village Hall Committee

invites you to a

Public Consultation & Information Evening

for the proposed

Covered Open Public Space project

Monday November 10th at 7.30 pm

If unable to attend or for comments, please email: info@suttonbengerhall.co.uk

Drawing based on gazebo at Westonbirt

The meeting received many constructive questions and feedback, with no objections to the project. The main outcome of the meeting was a reorientation of the Covered Open Public Space in an east – west orientation rather than a north – south orientation, which improves the aesthetics of the structure.

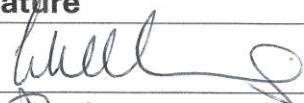

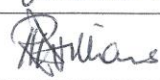

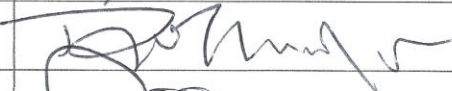

The meeting was attended by 29 parishioners as per the list below:

Village Hall Project Meeting – 10.11.25 @ 19.30
