3. Before making a request for a planning application to be referred to a Planning Committee Members are asked to discuss it with the case officer to ensure that they are aware of all of the relevant considerations and the likely recommendation. This should ensure that only those applications that need to, appear on agendas. (There have been cases where applications have appeared where the officer's recommendation is in line with the Members thoughts).

I have discussed this application with the case officer. *

☐ Yes

☒ No

4. I request this application to be called to committee if the recommendation is for:

☐ Approval

☒ Refusal

5. I request that the above mentioned planning application is considered at a meeting of the Planning Committee. I have indicated below the key issues which I consider justify the call in.

No answer provided.

6. Other (please specify)

I fully support this application and only want this to come to Committee if Officers are minded to refuse it. It is within permitted area of development, has a low flood risk, is within a site being considered for the Neighbourhood Plan, would have no impact on neighbours, would house a local family and help meet our five year land supply. It is also good that it is a self build.
