

The Planning (Listed Building and Conservation Areas) Act 1990

Listed building consent - Approve with Conditions

Application Reference Number: PL/2025/08906

Decision Date: 19/12/2025

Applicant:	Mr & Mrs C Hocken Ashbys Tytherington, Tytherington, Warminster, BA12 7AE
Particulars of Development:	Proposed extension and alterations
At:	Ashbys, Tytherington, Warminster, BA12 7AE

In pursuance of its powers under the above Act, the Council hereby GRANT LISTED BUILDING CONSENT for the above development to be carried out in accordance with the application and plans submitted (listed below), subject to compliance with the condition(s) specified hereunder:-

- 1 The works for which Listed Building Consent is hereby granted shall be begun before the expiration of three years from the date of this consent.

REASON: To comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Design and Heritage Statement, Proposed Floor Plans (1235/3), Proposed Elevations (1235/4) and Proposed Site Plan (1235/6), window and Joinery Details and Sliding Door Details - all received 31 October 2025 and;

Proposed Roof Plan (1235/7) - received 1 December 2026

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3 No development above slab level shall commence on site until full details and samples of the salvaged natural stone and clay plain tiles to be used on the

development have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

Should new natural stone and clay tiles be required, full details and samples of the materials to be used on the development shall also be submitted to and approved in writing by the Local Planning Authority prior to development above ground floor slab level. Development shall be carried out in accordance with the approved details.

REASON: In the interests of preserving the setting of the listed building

- 4 No development above slab level shall commence on site until a sample panel of stonework, not less than 1 metre square, has been constructed on site, inspected and approved in writing by the Local Planning Authority. The panel shall then be left in position for comparison whilst the development is carried out. Development shall be carried out in accordance with the approved sample.

REASON: In the interests of preserving the setting of the listed building.

- 5 No development of the extension hereby approved, shall commence on site above slab level, until a full survey of the affected roof (rear roof slope) following the removal of the existing tiles has been submitted to and approved in writing by the local planning authority.

If any repairs are needed to the existing roof structure, a full repair specification shall be submitted to and approved in writing by the local planning authority prior to those repair works being undertaken. The repair works shall be carried out in full compliance with the approved repair specification.

REASON: In the interests of preserving the historic fabric and significance of the listed building

- 6 Notwithstanding the approved drawings, no development above slab level shall commence on site until details of the following have been submitted to and approved in writing by the Local Planning Authority:

(i) Detail through the edge of the proposed conservatory roof at a scale of 1:10

The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting listed building consent and the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

Nic Thomas - Director of Planning, Economy and Regeneration

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <https://www.gov.uk/appeal-planning-decision>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. Adapting historic buildings for the future and making them energy efficient is a challenge and unique solutions may need to be found. [Historic England](#) provide guidance on this, including practical guidance on draught-proofing, insulating and ways of generating energy. The [Energy Saving Trust](#) provides more general information and resources on energy in homes. Also, [Warm & Safe Wiltshire](#) offers all residents across the county free and impartial telephone advice on energy saving. The developer is encouraged to contact the climate team to discuss this further: climate@wiltshire.gov.uk
