

-  Application Boundary
-  Other Land Owned by Applicant
-  Maximum Extent of Built Development
-  POS / Landscaping / SuDS

This area will encompass residential developments, including affordable housing, ancillary uses, infrastructure, and landscaping, which will involve SuDS. These elements will be incorporated within the designated zones outlined in the plan.

Outside the defined limits of the built development, various features and developments may be implemented. These include footpaths, lighting, roads, junctions, street furniture, infrastructure, SuDS, landscaping, fencing, parking, and play equipment. Areas shown in green signify designated spaces for POS, landscaping, and SuDS. Comprehensive details regarding the types of open space and landscaping can be found in Parameter Plan 240: Green Infrastructure.
